Job Id: **263.11-003296-2**  
Certificate No: **AMT0000020**

### **Approval basis**

The approval has been granted based on the following condition:

1. The maker's qualification documents as required in Det Norske Veritas' Programme for Approval of Manufacturers of BOILERS AND PRESSURE VESSELS No.330 received with letters from Det Norske Veritas Marseille, dated 2006.12.18, 2007.04.24 and 2008.02.02
2. Checklist dated 2006.12.18
3. Manufacturer product quality assessment report dated 2006.12.11
4. Checklist for renewal of approved manufacturers dated 2012-06-06
5. Checklist for renewal of approved manufacturers dated 2016-04-22

### **Certificate Retention Survey**

The approval will be valid for four years. To maintain the approved status, the manufacturer must be re-inspected every four years. Application for renewal should be made not later than three months before the expiry date of the certificate.

Any alteration to the approved condition during the period of validity, e.g. method of manufacture, maximum dimensions or conditions of supply, is to be reported to the Society. A re-inspection and/or re-testing may be required when deemed necessary by the Society.
